If they want to make you beleive in a lie they sent you eg. by Mail, Twitter or Facebook... there is some sort of pattern matching algorithm that then starts Since if your brain gets the same stimulus like the lie Here you see an example of an implementation with Jaro-Winkler algorithm, the same possibly works also (distributed over several channels Twitter, Google, Facebook, Mail...) making you beleive in that lie. lie and the possibility that i beleive it is bigger. with images, speech and videos. Such an algorithn ild definitively imply a big player like CIA/NSA you initially got, it begins to feel comf

btw: Great visual representation of Jaro Winkler by the way

young female patients. If you google "Psycho-The-Rapist rapes patients" you would get 10'100'000 hits on google Mental Institution strapping psychiatric patients. I could The good people in mental institutions they tell that it's just that the patient does not commit suicide. But in fact it is search. As we said on other cards, this normaly just nindcontrol and toruture, see Sensory Deprivation. Worsl case there are even shirnks that would rape strapped strapped me in Menta verify that in 2007 when

the sad fact is that if a patient (no matter if male or female) would have been raped in a mental institution he the rest of his / her life. We did not find a way to fix that behavior.

"self injury" induced

go wrong to fix those things puting the whistleblower in a mental institution would be great for the offender. Maybe they tell even play m41 card to make the group think the injury is because of them, finally playing the dt1 to they can put him into a mental institution. In the mental institution he or she gets tons of "antipsychotics" that whitehat hacker that tries to show the public things that behavoir of "self injury". And if someone does self injury Year: ~???? after a rape (or just m38 card) people often show the have a good hart and are medical more (below my image) than i, traumatic event like death of someone self injury is because of them, finally playing blackmail and silence the whole group. Worka the victim is Inventor: xxxxx lazy. stupid,

Year: ~???? selects the next scapegoat "to protect the group would have to attack the youngest asking [the Inventor: Satan

about that dirthy "game". So you would have a transitive (math) situation where all the older people group to judge the equal aged, then using dt1 crad. Even group said no to m37, and if someone from the older generation pushed that red button the group would still falsely accused equal aged would problably find out questions that the aledged murderer plays multiple Social Systems have a Gypsy Cemetery. Initially older people use things like the m37 card and tell the feel bad. An additional problem would be that the olders It seems that if you ask the right there would be "only" one dead kid, gypsy... Maybe the
